Value Partners granted US\$100 million QFII quota

(Hong Kong, 11 January 2013) — Value Partners is pleased to announce that State Administration of Foreign Exchange has granted Value Partners Hong Kong Limited a Qualified Foreign Institutional Investors (QFII) quota of US\$100 million for the use in its investment funds. The QFII scheme was launched in 2002 to allow licensed foreign investors to invest directly in the A-share market in China.

“Value Partners holds a positive outlook for China’s A-share market, and will fully utilize its QFII quota to increase the investment exposure of its existing funds as well as to offer a wider choice of A-share related products to our clients globally,” said Timothy Tse, Chief Executive Officer of Value Partners Group Limited.
