RISK DISCLOSURE

- Value Partners High-Dividend Stocks Fund (The "Fund") primarily invests in higher yielding debt and equity securities in the Asian region.
- The Fund may invest in higher-yielding debt and equity securities that are below investment grade. Such investments can involve greater risks due to the speculative nature.
- The Fund may invest in China and other markets of the Asian region, therefore is subject to emerging market risks. Generally, investments in emerging markets are more volatile than investments in developed markets due to additional risks relating to political, social, economic and regulatory uncertainty. The value of the Fund can be extremely volatile and could go down substantially within a short period of time. It is possible that the entire value of your investment could be lost.
