Notice: Fraudulent Mobile App Alert

Value Partners Group Limited (“Value Partners” or the “Group”) would like to alert its clients and members to a recent case of fraudulent activity.

It has been brought to our attention that a mobile app (“the app”) has been fraudulently using the identity of Value Partners Group Limited to offer what appear to be investment products in a bid to scam the public for money. The app is called “Value Partners Group” and displays the Group’s corporate logo and office address without our consent. Please see below some photos of the app for your reference.

The cases have been reported to Hong Kong Police for further investigation.

We would like to caution the public to keep vigilant and notify the police if you think you may be a victim of any scam or fraudulent activity.

We would also like to remind our clients and the public that Value Partners does not sell products to end retail investors through our own app and does not accept payments through WeChat, whether in China or any other market around the world.

If anyone has any concerns or doubts about an individual, platform or entity's affiliation with Value Partners, please verify with us by sending an email to enquiry@vp.com.hk or calling (852) 2880 9263.
