**Value Partners Named Top 3 Investment House  
in Asian G3 Bonds for 2020 by *The Asset***

**(Hong Kong, 11 November 2020)** - Value Partners Group Limited (“Value Partners” or “the Company”) is pleased to announce that Value Partners has been named “**Top 3 Investment House (Hong Kong) for 2020**” by *The Asset*. Meanwhile, Ms. Elaine HU and Mr. Edwin KAM, Value Partners’ senior fund managers for fixed income, came 2nd and 10th in the “**Most Astute Investors in Asian G3 Bonds for 2020**” category, respectively. Both Ms. HU and Mr. KAM have been chosen as Top Astute Investors in Asia’s G3 bond market by *The Asset* since 2016.

Value Partners has a long history of investing in Greater China and Asian credits. The Company is an active investor in the Greater China and Asian credit space and goes far beyond typical bottom-up analysis. As stewards of its clients’ trust, Value Partners’ fixed income team chooses to develop partnerships with bond issuers, and has been actively engaging in their business, helping them to improve their credit profiles, which leads to the creation of additional value. This allows Value Partners to maintain a very strong position in both the public and private markets. Value Partners’ long-term sustainability comes from the fact that the Company is firmly embedded in China’s onshore and offshore markets, and adheres to an investment philosophy and process that have withstood the test of time since 1993.

Mr. Gordon IP, Value Partners’ Chief Investment Officer of Fixed Income, oversees the Company’s credit and fixed income investments and portfolio management. With over 26 years of experience investing across fixed income sectors, Mr. IP leads a seasoned team of 11 fixed income investment professionals, all of whom have in-depth industry knowledge and proven fixed income expertise in the Greater China and Asian credit markets. Key members of the team include Ms. Elaine HU and Mr. Edwin KAM, Senior Fund Managers, who joined the Company in 2013 and 2014, respectively.

Since establishment of the Company’s flagship fixed income fund in 2012 – a fund that focuses on Greater China high yield bond investments – Value Partners, as well as the fixed income team have received numerous awards and the highest rankings in recognition of their outstanding investment performance.

Since 1999, the Asian G3 Bond Benchmark Review has been conducted annually by *The Asset* – a leading financial magazine for Asian decision-makers. The Most Astute Investors ranking recognizes the best individuals in terms of their credit/market knowledge, investment decision acumen, and trading skill; while the top-ranked houses are decided based on the number of votes won by their respective Astute Investors.

The Review provides a wealth of data on the product needs of institutional investors and the market penetration of banks active in the Asian G3 bond market and Asian CDS space. It also delivers a detailed analysis of investors’ buying behavior when selecting their counterparties, and provides insights into how investors think. There are over 300 international institutional investors, including international and Asian-based asset managers, banks, private banks, insurance companies, and hedge funds active in the Asian G3 bond market and Asian CDS space.
