Impersonation and Unauthorised Investment Commitment in Korea

It has recently come to our attention that an unauthorized individual or entity has been impersonating a senior executive of Value Partners Group Limited ("Value Partners" or the "Group"), falsely claiming to represent our Group in investment commitments in certain Korean company. We would like to emphasize that Value Partners has neither appointed any third party in Korea to act on our behalf in any investment commitments nor established any company in Korea. Any claims or communications suggesting otherwise are false and should be disregarded.

As a responsible company, we urge the public to remain vigilant and exercise caution when engaging in financial transactions. If you have been approached by any individual or entity claiming to represent Value Partners for investment activities in a Korean company, we strongly recommend verifying their authenticity by contacting us via Value Partners hotline (852) 2880 9263 or by sending an email to vpl@vp.com.hk.

Thank you for your understanding and ongoing support.

Value Partners Group Limited
